Chair: Mick Duprez 0430 290 745

26/09/24

To all clubs for your notice boards.

The single gender pennants have been run and the final series completed.

In the men's competition Merimbula will advance straight to the State finals in Division 1 and Huskisson will go through to State in Division 2 as there were no finals.

Division 3 was won by Malua Bay and Division 4 was won by Greenwell Point.

In the women's pennant Malua Bay will progress to the State finals in Division 1, along with Merimbula in Divisions 2 and 3 with Huskisson in Division 4.

Congratulations to all sides and best wishes for good results. At this stage a venue has not been advised.

I attended the Division 3 men's final and Division 4 women's and men's finals at Ulladulla along with Vice President Hellen Hastings plus Match Committee members Edwina Skinner, Steve Munce and Craig Gardner.

The club did a great job running the event and the games were played on a top surface. Many thanks. Thanks also to Tuross and Tura for hosting the 2's and 3's.

It was terrific to see the men and women all playing at the same time which created a great atmosphere and some really close games.

President Jeanette Shimeld and Match Committee members Don Pope and Joy Scott attended Tura Beach, Match Committee members Yvonne Huddleston and Marcel Kors were at Tuross.

The Triples and Fours championships have been run within the areas with singles and pairs coming up in October.

All finals will be played at Merimbula from 30th November to 8th December.

I will be preparing a report on championship entries and a questionnaire on the upcoming program prior to preparing the new calendar.

I would like to thank all the members for using bowlslink to enter the championships, it does take a load off the match committee when organizing the events. Members can also gain a lot of information from bowls link by searching the links. All past competitions can be accessed by looking on the completed tab.

There is also a lot of information on the region website, southeastbowls.com.au

Enjoy your bowls, and best of luck in the champs.

Mick Duprez
