

SOUTHEAST REGION BOWLS EOI - REPRESENTATIVE TEAM SELECTION

Players who would like to be considered to represent the Southeast Bowls Region in the State Inter-Regional Championships are invited to complete the form/s below outlining your Bowls Record over the previous year to the Regional Selectors.

Please note, the values assigned to each event represent the importance of each event for the selection process.

Team success at a competitive level is a very good indicator of each of the selection criteria.

Please refer to the Southeast Region Selection Policy when completing this EOI.

Should a player have other experiences or demonstrated abilities not listed on this form that they believe demonstrates that they believe contribute towards demonstrating that they meet the Selection Criteria, please add relevant details on a separate sheet & attach.

Players selected to represent will be provided with a Regional Shirt & cap or hat.

Should a selected player wish to purchase a Regional Vest &/or Hoodie, these are available at Hoodie - \$50.00; Vest - \$30.00.

Regional Uniforms become the property of the player (please refer to Regional Uniform Policy for full details re uniform usage). Approved BA below waist garments, colour black, to be supplied by the players at personal cost.

Consideration for selection will be based on current performances at club and regional level pennants and championship finals. If for some reason you believe your current performance does not reflect your full abilities, and you would like to also include your 2022-23 results, please copy these forms, attach and date mark accordingly.

Players are expected to be available for any trials scheduled by the Regional Match and/or Selection Committee.

The Selection Committee will be solely responsible for selecting players to represent the Region in approved competitions and trials.

N.B. Selection for regional trials does not automatically qualify a player for regional representation in state inter-region playoffs. The final team will be announced at completion of local regional trials.

EOI to be submitted to Southeast Region Selection Committee Chairperson by Friday 13 December 2024.

Email: southeastbowls4@bowlsnsw.com.au

Late applications depending on reasons, will be considered at the discretion of the Selection Committee Chairperson.

Policy Date: November 4, 2024
