To all clubs,

09/01/2025

Circular 05, December 2024

Firstly, I would like to wish all clubs a successful new year.

Also, thanks to all the clubs that hosted Region events during the year, much appreciated.

The first half of the season wound up at Merimbula with the running of the Region Championship Finals. Many thanks to Michael Wilks and his helpers for a well-run event. The atmosphere was great over the two weekends of the finals and it was terrific to see both the men and women competing at the same time. We were very fortunate to have held the finals at Merimbula as the weather wasn't very kind on the first weekend. There would definitely have been no play outside on the Saturday.

Head to the Region website to see the pics.
